What happens if you become incapacitated and can't tell your loved ones and doctors how you want to be cared for? Or if you become ill and you need a family member to be able to talk to your bank? Advance Directives tell others what YOU want to have happen if you become ill and unable to communicate your wishes.

At this **FREE** event, attorneys will help you prepare:

- \* Advance Directives for Healthcare  
(Living Will and Healthcare Power of Attorney)
- \* Financial Powers of Attorney

Information will also be available on how you can get an attorney to help you prepare a regular will.

If you want to make sure that your wishes are followed should you become unable to handle your affairs, this **FREE** event is for you.

Register in advance with Senior Services: **770-528-1445**. We also welcome walk-ins on a first come, first served, as available after registrations. Call for more information.
